Land of the Cathars and Templars  
Land of the Holy Grail

Atelier «Place of Now»

The soul, youthfully delighted,  
Experiences the beauty of this Creation

We will immerse ourselves in the world of the Breath of Life, of music with its sounds, melodies, harmonies, intervals and their correspondence in the human being.

How do the sounds resonate within us –  
how do they enliven, organise and clarify us and  
help us to find inner orientation and rejuvenation?

A journey of discovery.  
Songs from old-new times.

# Description

In this atelier, we will sing sacred melodies, move to them and explore the effects of different elements and intervals on the body, soul and spirit.

While doing so, we will also pay close attention to our breathing and our perception of the breathing realms.

No prior knowledge is required –  
Open amazement and curious exploration are our best companions.

Church of Mary Magdalene in Rennes-le-Château

# Location

The atelier will take place in Occitania in Southern France on the estate «Domaine Peyre Picade», in 11190 Coustaussa. It is located 4 km from Rennes-le-Château, surrounded by meadows, old trees and forest.

View from the terrace of the «Domaine Peyre Picade» towards Rennes-le-Château and the Pyrenees

The echoes of a rich culture spanning many centuries and millennia can still be felt in these places.

The unique view of Rennes-le-Château with its Church of Mary Magdalene, consecrated in 1059 AD (which we can visit on request), surrounded by the mountain ranges of the Pyrenees, promises a special experience.

Castles on mountain tops bear witness to the work of the Cathars and Templars.

With the diverse cultural treasure that this landscape holds and with the being of Mary Magdalene, we will connect musically and spiritually in this atelier.
